

Good luck, Chuck!

*(On the occasion of the departure of Charles Laurenti,
a Regional Manager at Caterpillar, going back to Peoria)*

May all go well with your new endeavor!
We sure will miss your friendly smile,
Your warm handshake and good humor,
Words of support and your great style...

We wish you easy and safest trip!
And you can count on much sympathy
... Leaving Geneva and all its hardship ...
Farewell then, good luck to you, Chuck Laurenti...
