

## Phil 49er

"Too bad for the Packers"  
I heard over the news  
"Twenty Twenty Two is all yours  
Happy 49ers!"

"Other fans feel the blues"  
I read over the phone  
Yet crying is no use  
Sad moments are quick gone!

And if Twenty Twenty Two  
Is to be a good year  
I wish I'd be like you:  
Brand new 49er!
