

A time for everything

(For my brother in law, David Brewer, on the occasion of his retirement)

There is a time for everything:

A time to do a lot,
A time to do nothing ...

Misunderstand me not:
Choosing is not the thing...
For then you might be caught!

Just let it come to you ...
After months, after years,
And then just join the crew

Of those with no more fears
Who know what ... not to do ...
When the paycheck appears!

I know too well such a blessing:
For me it hit the spot
And sent me off spinning!

You gave all that you got,
You were hard at working,
Relax now, David ... and enjoy what you got!
